Local Government Training Module 3 – Testimonials

“Great Session”

Dayle Hubbard, South Gippsland Shire Council

“Never worked with special rates previously, found there is a lot of information to consider prior to implementation”

Liz Adams, Greater Shepparton City Council

“I look forward to attending Module 4. What ever the topic”

Jan Smith, LaTrobe Shire Council

“Have taken away valuable knowledge and will review and gain greater understanding of our special rates & charges schemes”

Chris O’Leary, Bayside City Council

“The info provided at the session provided me with a clear understanding of the special rates & charges that may impact within my role in Economic Development”

Will Gerhard, Monash City Council

“Very good session with good balance of information and worked examples”

Zoran Krstevski, Whittlesea City Council

“Gained a great deal of insight into the new changes to special rates & charges”

Peter Tremain, Geelong
